## Experience

1997 - Present

### **Paxton Farm, Cincinnati, OH**

Helped family build and run boarding, training and show facility. Head trainer and also help manage the stabling facility, which includes 23 stalls(all filled), large indoor arena and two outdoor rings. Also help run the shows during show season. I also partake in the nutrition of the horses in the barn, do all my own grooming, can trailer, run a tractor and give IM and IV shots along with some small med training.

## Education

### **Germany, Professional Trainer**

I lived in Hamburg, Germany for 4 years, where I was in training at Gronwohldhof with Reinhard Neilson and Karen Reibein. Was then asked to come train with the United States Olympic team coach, Klaus Balkenhof for one year in Munster, Germany. I also picked up the language and can speak German. I then moved home in 2007 and spent 8 months in New Jersey training with Michael Barisone. I was also involved in the Pony Club program from 1995-2002 and got my B rating.
